

Ride the New Crest Wave

The Crest Wave is about fun on the water!

This boat is all about relaxation.

High quality,, high comfort upholstery designed to be able to kick your feet up and have a great time.

Ride the New Crest Wave

Full height-color fence panels, fiberglass helm, two chaise lounges, convertible stern lounge seating, 25" pontoons, 24 gallon built in fuel system are just some of the features that make this boat a game changer for the Crest Dealer.

Ride the New Crest Wave

The Wave sets itself apart by offering a unique and recreational interior layout, contemporary helm with "boom box" sound system, more high quality-useable seating area and storage than any other 20 on the market and a color coordinated strapless bimini to top it all off.

Contact your Crest Marine Regional Manager for introductory pricing and allocation availability.
